What is Tinto de Verano?

Definition and Composition

Tinto de verano is a cold, fruity, and easy-to-make wine cocktail typically made with red wine, sweetening agents, and soda. Its name directly translates to "summer red wine," emphasizing its role as a refreshing summer beverage. The drink usually combines:

This simple combination results in a light, bubbly, and flavorful drink that is less potent than traditional wine but highly refreshing, making it ideal for hot weather.

- Sangria: Typically involves a mix of red wine, chopped fruits (or fruit juice), brandy, sugar, and sometimes other spirits. It is usually served in larger quantities and prepared hours in advance to allow flavors to meld.
- Tinto de verano: More straightforward and quicker to prepare, using just red wine, soda, and lemon slices. It is served immediately, emphasizing refreshment rather than complex flavor blending.
