Techniques

Several techniques are used to create beadwork designs:

- Lazy Stitch: A straightforward pattern where beads are sewn onto fabric or leather in rows, creating a flat surface. Ideal for geometric and repetitive patterns.
- Brick Stitch: Beads are sewn in a staggered pattern, allowing for more complex shapes and three-dimensional effects.
- Peyote Stitch: Used for circular or tubular designs, providing a textured surface.
- Overlay and Applique: Beads are sewn over existing designs or layered to add depth and complexity.

The choice of technique depends on the intended design, item type, and the artisan's skill.
