The 2014 schedule was designed to address these issues, establishing a clear, transparent, and equitable system for compensating emergency medical providers.

The schedule was developed through extensive consultations with healthcare professionals, government agencies, and patient advocacy groups to ensure it reflected the diverse needs of stakeholders involved in emergency medical care.

- Patient Cost-Sharing: While the schedule aims to clarify coverage, out-of-pocket expenses for patients can still be significant, particularly if services fall outside covered categories.

Impact on Emergency Service Providers

Some providers have expressed concerns that the reimbursement rates do not always cover operational costs, especially in cases requiring advanced interventions or prolonged care. This financial pressure can influence service delivery and staffing decisions.

Comparative Analysis: EFMB Schedule 2014 vs. Other Periods

Understanding how the 2014 schedule compares with earlier or subsequent versions provides insight into its effectiveness and areas for improvement.
